Dear Citizens of Alexander City:

RE: Service on Boards, Commissions, and Committees

The City of Alexander City has a large number of the above-referenced entities providing citizen input into operations, policies, and procedures of many City programs. Occasionally openings occur requiring the City to seek volunteers willing to fill these roles in order to maintain compliance with the established ordinances. In an effort to broaden the opportunities for all willing citizens to receive consideration for these openings, I am requesting letters of interest from citizens who seek an opportunity to serve. There is no format required for these letters other than name, contact information, the names of all Boards, Commissions, and Committees on which you would be willing to serve, and a brief description of your past employment, personal accomplishments, volunteer, or life experiences you feel would make your selection beneficial to Alexander City. Responses should be sent to the attention of Amanda Thomas, City Clerk, at the address above. A comprehensive list of all of these entities can be accessed by following this link <https://alexandercityal.gov/bc>.

Citizen participation in government operations is a defining element of our Great Nation. Thank you in advance for your willingness to serve.

Sincerely,

Thomas J. Spraggins
Mayor
