

**Currently Adopted Building Codes Includes the following 2021 I-Codes and the 2020 NEC:**

- **2021 International Building Code**
- **2021 International Residential Code for One- and Two-Family Dwellings**
- **2021 International Fire Code**
- **2021 International Energy Conservation Code**
- **2021 International Mechanical Code**
- **2021 International Plumbing Code**
- **2021 International Fuel Gas Code**
- **2021 International Existing Building Code**
- **2021 International Swimming Pool and Spa Code**
- **2021 International Property Maintenance Code**
- **2020 National Electric Code (NEC)**

The 2021 IPMC provides requirements for continued use and maintenance of building elements, site conditions, swimming pools, plumbing, mechanical, electrical and fire protection systems in existing residential and non-residential structures.
