## **MESSAGE FROM THE FIRE CHIEF**

On behalf of the staff of Alexander City Fire Department, I am excited to present the 2022 Annual Report. As you review the stories told by photos, data and numbers, my hope is that you will notice the dedicated work and multiple successes achieved within Alexander City Fire Department. Our goal is to be fully engaged in this growing and expanding community.

It is an honor and a privilege to serve the citizens and visitors of our beautiful hometown, Alexander City. I am the proud leader of some of the “best of the best” employees that prove their dedication and professionalism day in and day out.

I want to personally thank the City of Alexander City Councilmembers, Mayor Curtis Baird and the amazing employees for their continued support for Alexander City Fire Department. 2022 was an outstanding year and as we enter 2023, I can’t wait to see the department grow by adding Fire Station 3 and additional personnel.

Sincerely,

Reese McAlister  
Fire Chief
