March 24, 2020

The City of Alexander City is constantly monitoring impacts of the Coronavirus (COVID-19) and is adjusting procedures as necessary. As such, I am pleased to announce utility collection procedures have been updated as follows:

Effective immediately, the City will not disconnect utility services (i.e. water, sewer, electric, gas, garbage) for late payment and all charges relating to penalties for late payment will be waived. These changes remain in effect until further notice.

All inquiries may be made by calling the City's Revenue Officer at 256-329-6715.

Thomas J. Spraggins
Mayor
